The royal treatment...

Home to more than 10 lodges, Rotorua is the perfect spot in which to escape the hustle and bustle of everyday life and be pampered like royalty.

The possibilities for extraordinary adventures are endless. Be whisked away to absorb the region's breathtaking sights in comfort and style. Fish in a remote spot, walk on an active volcano or enjoy a luxury lake cruise.

View dramatic geothermal scenery from a modern helicopter or elegant floatplane, or browse boutique stores. Top it off with tempting treats in Rotorua's dining quarter or enjoy a sunset barbecue on a lake beach.

You're limited only by your imagination.

Many of Rotorua's lodges are nestled on the shores of sparkling lakes, and guests can cruise, swim, waterski, kayak or fish to their hearts' content. Sip a chilled glass of bubbles while you savour the warmth of a thermal rock pool in the shadow of a mysterious mountain, or a natural mineral pool on a sacred island that hints at the romance of the past.

Create your own journey in this land cloaked in legends. Encounter the warmth, proud spirit, deep sense of history and quick humour that is the Maori culture. Fascinating legends and a fusion of indigenous food flavours are yours for the taking and exclusive tours with knowledgeable guides give a unique insight into this dynamic culture.

Wisps of steam and a sulphur scent welcome visitors to this thermal wonderland where bubbling mud pools and spectacular geysers are vibrant reminders of a volcanic history. Rejuvenating spa therapies spring from this thermal activity and there's an extensive range on offer – from a decadent soak in the velvety waters of a thermal pool to a blissful spa or massage, or a mud wrap that leaves your skin feeling silky smooth.

Scenic vistas are everywhere, with walkways and mountain biking tracks making Rotorua the perfect place to enjoy the best of nature. The choice is yours.

Nothing is too good for Rotorua's visitors. Come here and revel in the royal treatment the region is offer. You deserve it.
