Enjoy an exclusive guided tour with one of Te Puia's world-renowned guides. Visit to the New Zealand Māori Arts and Crafts Institute, home to national carving and weaving schools. Here you'll watch these disciplines in practice under the guidance of master carvers and weavers.

Visit the Kiwi Conservation House and witness live, active Kiwis in their nocturnal enclosure, observe their foraging behaviours, explore their history, and discover Te Puia's conservation initiatives.

From the Kiwi House you'll visit the Whakarewarewa Geothermal Valley, home to mud pools and geysers, including the world-renowned Pohutu geyser, which can reach heights of up to 30m.

Explore our Taonga gallery (treasure gallery) before your Te Pō evening experience begins.

Te Po evening tour begins at Te Heketanga-a-Rangi (Heavenly Origins), a space comprising twelve monumental carvings reaching skyward. From there you will be guided to the Pataka Kai Restaurant, Bar, and Cafe to enjoy the mouth-watering evening buffet which features locally sourced cuisine and an authentic Māori twist in each dish.

After dinner, you'll enjoy an exhilarating cultural performance that takes place in the beautifully carved meeting house, Te Aronui a Rua. This performance includes a Pohiri (Traditional Maori Welcome), Waiata (Song), Moteatea (traditional chant), Poi, and Haka.

This beautiful evening experience will finish with you enjoying a hot chocolate, seated on a naturally heated rock terrace overlooking the powerful Pōhutu Geyser.
